

Conversation Dream

Child: I had a dream at my school.

Teacher: Was it a scary dream or a happy dream?

Child: A happy dream.

Teacher: What was the dream about?

Child: It -- um, is in your class.

Teacher: It was in our classroom?

Child: Yeah.

Teacher: What did you dream about?

Child: Um... um...

Teacher: Were there kids in the classroom? Teachers in the classroom? Monsters in the classroom? No? Who was in the classroom?

Child: Um... Oh, and big girls.

Teacher: Big girls?

Child: I mean, is, is 9 years old.

Teacher: 9 years old. So 9-year-old girls are pretty big?

Child: Mmm, nope. A little bit big.

Teacher: Little bit big. So it was a happy dream? How was it happy? How did it make you feel happy?

Child: Um... I guess I liked playing the... bicycle.

Teacher: Ohhh. Well, then you're going to have a happy day, because guess what's outside waiting for us? What do you like to ride?

Child: The...

Teacher: Thank you, sir.

Child: Three?

Teacher: That's it! We call it a tricycle. Thank you, Isaac.
